### Bi-Weekly Foster Update

In an effort to better anticipate and address issues that may arise with our foster animals, we are requesting our foster parents complete the following update on a bi-weekly basis and e-mail it to Katie Werner at [katiew@md.metrocast.net](mailto:katiew@md.metrocast.net). Thank you for opening your hearts and homes to our animals - we would not be able to help the animals of our community without your support. Please complete one Bi-Weekly Foster Update per animal.
